

GLOBAL HEALING MODERN MEDICINE FOR THE DEVELOPING WORLD

FACT SHEET

DESCRIPTION	Global Healing is a Berkeley-based 501(c)(3) global health and international development nonprofit established in 1994. We have worked in nine countries and currently have active programs in Haiti, Honduras, the Republic of Georgia, and Vietnam.
VISION	A world where all children and mothers with life-threatening conditions are cared for by local, skilled healthcare professionals.
MISSION	Global Healing trains physicians, nurses, and medical laboratory professionals in lower income countries to implement current best practices for improved patient care.
